****Please note that the above times are for guidance only and are subject to change on the day****

Whilst in the South Stand Viewing Deck and in view of the playing surface, the consumption of alcohol is strictly prohibited outside the times stipulated by law (15 minutes prior, during and 15 minutes post the game of play). For the avoidance of doubt, guests who wish to consume alcohol during the game of play must do so in the Heineken Lounge where the game will be televised on the screens.

Please note that your hospitality package is located within a Leeds home area. Whilst we do welcome visiting supporters, please ensure guests refrain from wearing away club colours including scarves and are not seen openly supporting the away team as you may be refused entry to the stadium or ejected without compensation. Visiting supporters are therefore advised to act discreetly.

Elland Road is moving to become a cashless venue and we request that all payments for drinks be made by using card payment. We hope that this will deliver an increased speed in service with less wait time.

Should you require any car parking on the day, Car Park B (opposite the Club Shop) provide spaces, payable on the day. Please see the Elland Road Stadium Plan for reference.

The dress code is smart casual. Smart denim may be worn, but under no circumstances can trainers, football shirts or other sports apparel be worn on matchday. Please ensure you adhere to the dress code as failure to do so will result in non-admittance to the area. Children under the age of 16 need not adhere to the dress code.

We look forward to welcoming you and your guests to Elland Road, the home of Leeds United.
